**NORTH OGDEN CITY  
MEMORANDUM**

---

---

**TO:** PLANNING COMMISSION  
**FROM:** CRAIG BARKER, COMMUNITY DEVELOPMENT  
DIRECTOR  
**SUBJECT:** TO ADJUST PROPERTY LINE BETWEEN OWNERS AT  
650 EAST 3100 NORTH BY EMILY JENSEN  
**DATE:** 6/14/2013

---

The two owners of adjacent property are filing this Lot Line Adjustment in order to recognize the existing occupation of these two existing properties. The home on the east property actually straddles the property line on record at the Weber County Recorder's Office. The two owners have agreed to recognize an existing fence as the property boundary. The Planning Commission's action is to approve the lot line change.
